

Saint Luke's Episcopal Church Lay Pastoral Services Groups 2019

Care Teams

In addition to one-on-one interaction from clergy and lay volunteers, we extensively employ the Care Team approach to offer practical, emotional, and spiritual support in a coordinated way. Teams are comprised of 6-8 trained lay volunteers from a pool of 87 trained volunteers to provide practical, emotional, and spiritual supports for individuals with a variety of needs including families in transition, parents with new babies, people who are post-surgery, experiencing a temporary or chronic medical issue, or are homebound.

Stephen ministers provide one-to-one Christian care to the bereaved, hospitalized, terminally ill, separated, divorced, unemployed, relocated, and others facing a crisis or life challenge. The 29 active Stephen Ministers, meet with care receivers weekly, supervision twice a month, and continuing education quarterly.
