

January 2, 2022

Dear Day School Families,

I am so excited to announce the new schedule for the 2022/2023 school year! The first day of school is **Wednesday, August 24**. Saint Luke's Day School is happy to offer classes Monday – Friday from 9:00 – 1:00 with multiple early enrichment programs (including early care) offered daily for all ages from 8:00-9:00 AND multiple enrichment opportunities (including stay and play) offered daily for all ages from 1:00-2:00.

You will find attached the registration information. **Registration begins for current families and church members on Wednesday, January 5, 2022.** Registration will open up to everyone on January 18. Please return the completed forms to Saint Luke's Day School as soon as possible. **Your registration will not be complete and your spot can not be held without your registration fee in the form of a check made payable to Saint Luke's Day School.** Registration fees are nonrefundable.

Please note that you must register each year to attend SLDS. Please do NOT assume a spot will be held for your child. These classes fill quickly.

We are really excited to be able to offer our fun summer camp sessions again this summer. Our tentative schedule for summer camps at SLDS are June 13-16, 20-23, 27-30 and July 11-14, 18-21 and 25-28. More details and registration information will be available in February.

You will notice our first tuition increase at SLDS in three years. It was a decision we did not take lightly. We are excited about implementing competitive curriculum updates including building our emphasis on Hands on STEAM classroom learning for all ages, introductions to more kindergarten readiness practices, smaller student to teacher ratios in younger classes and an earlier start date in August. We are really proud of the good things happening at SLDS.

I am happy answer any questions via email at kmurphree@saint-lukes.com! I am looking forward to a new exciting school year with your children.

Our passion, their future!
